

# They're all our Children:

## Past and Future

In September 1902, our first children entered what was then the Parkland Lutheran Children's Home orphanage. Over the decades, our name and services changed, but our dedication to the emotional health of children and families in our community never waned.

## Celebrate 100 years of caring for children!

Thursday, September 19, 2002  
5:00 - 7:30 pm

**RSVP: 425-349-8393**

**On the Compass Health  
Federal Avenue Campus  
4526 Federal Avenue,  
Everett, Washington**

*(formerly Luther Child Center and  
Parkland Lutheran Children's Home)*

## Please Join Us!

In honor of our roots, Compass Health is dedicating a new residential children's program: the *Luther Children's Crisis Facility*.

Share an evening of music and hors d'oeuvres with friends, legislators, and well-known advocates for children and families.
